

F4681030 Satin Black

## **Oplight**

Designed by Jasper Morrison, 2021

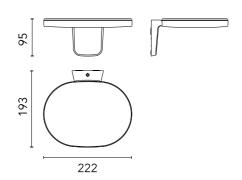

16W - 1325lm - 2700K - CRI> 90

Indirect light wall lamp. Body in die-cast aluminium with powder coating. Diffusor made of injection-moulded polycarbonate semi-transparent. High efficiency LED source with a lifetime of more than 50.000 hours. The LED source can be easily replaced on site by a professional installer when it comes to the end of its lifecycle. Oplight is a future-proof lamp as no glue is used to assemble its different parts. The product can therefore be separated, replaced individually, and recycled separately.
